CONGRATULATIONS ARE IN ORDER!

We want to let you know about two recent honors for professionals involved with Well Cell!

Well Cell CEO Scott A. Hepford has been nominated for a prestigious international award, the Gusi Peace Prize, which is often regarded as the “Asian

Nobel Peace Prize.”

The Prize is a private award given by the Gusi Peace Prize Foundation to recognize individuals and organizations who contribute to peace and progress through a wide variety of fields that include human rights, peace, health, education, culture, politics, and humanity. The awards ceremonies are held yearly in Manila on the fourth Wednesday of November. We are extremely proud of Scott for this worthy recognition!

Chirag Patel D.O., is the Physician Director of Well Cell's licensee Diabetes Relief Houston Westside, and he is also on the staff of Memorial Hermann Hospital Katy on the west side of Houston. He has been named "Physician of the Year" by the hospital!

It is a peer-led nomination and award whose nominees are elected based on the highest and best quality nomination letters. We praise Dr. Patel's well-earned award and know that all of Diabetes Relief Houston Westside's patients share our esteem!

News about Well Cell's Recommended Products

In your Licensee Portal is a folder named "Recommended Products." ForACare has a special deeply discounted price for test strips that will expire in 5-6 months. We encourage you to check it out.
